

Parent/Guardian Volunteer Form

Why volunteer?

- Students do better in school when their parents and guardians volunteer.
- Parents who know the faculty and other parents can keep better track of their students' activities and friends. "It takes a village to raise a child."
- Everyone's support enriches the entire school experience, especially in a small school.

Please complete and return this form to Destiny Sparks, Director of Education, at dsparks@watershedhs.org or drop it off at the front desk of the school.

Note: Watershed High School conducts background checks on all volunteers. Please complete this form with your full name and date of birth, including the year.
